

PensionPhone

Your future at your fingertips

Irish Life Corporate Business are delighted to offer a unique benefit in the Irish Pensions market. As a member of a company pension plan, PensionPhone allows you to check on your pension fund value, by using your telephone.

How does it work?

If you have a touch-tone phone, simply dial the PensionPhone number at any time between 8am - 10pm, 7 days a week. Enter your member number and PensionPhone PIN number and you will receive your current fund value from simply dialling numbers on the phone. You don't even have to speak.

What services are available?

PensionPhone allows you to check on your current pension fund value. You can also see how this value breaks down between your investment funds. As an added security measure there is a facility to change your PensionPhone PIN number.

You can also work through our demonstration service which will help you get familiar with using PensionPhone.
