Objective

- The aim of the fund is to produce consistent modest returns with low volatility.
- This fund is suitable for members who are close to retirement and wish to maintain a small exposure to equity markets while limiting volatility.

Operation

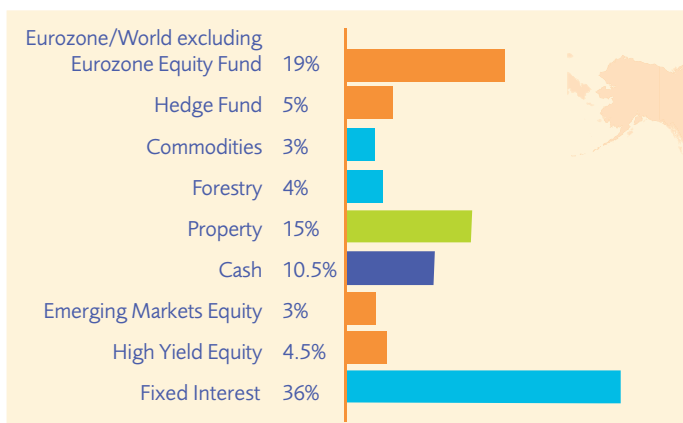

- This fund combines a traditional indexed equity fund with bonds and cash and the following alternative funds; The Indexed Emerging Markets Equity Fund, Indexed High Yield Equity Fund, Forestry Fund, Hedge Fund, Commodity Fund, and Property Funds (Europe and Ireland).
- Investors get exposure to both traditional equity managed markets on an indexed basis, as well as a wide variety of other assets classes, which are managed on an active basis

Highlights

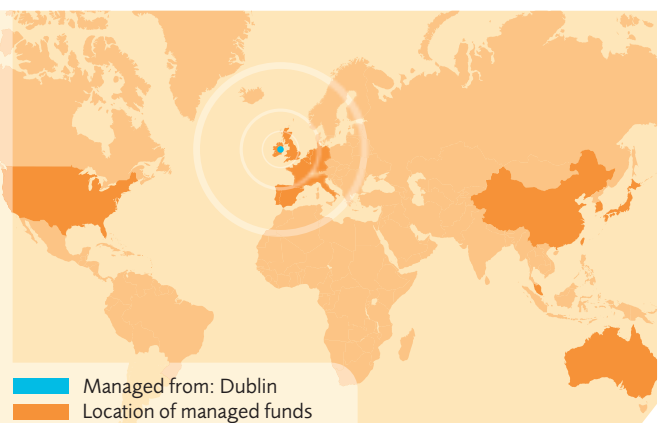

- This is part of an exciting new group of funds which has been added to our investment range. The new group includes the Diversified Cautious Fund, the Diversified Balanced Fund and the Diversified Growth Fund. These new funds, in addition to the extensive options already available, will provide a solution for all investment needs.
